OFFICIAL PRESS RELEASE

Police and Fire for Hire, LLC | Off-Duty Professionals You Can Trust

A new website where police officers and firefighters can advertise their "off-duty" skills and professions.

Indianapolis, April 2, 2014: Police and Fire for Hire, LLC is proud to announce the official launch of their new website, www.PoliceandFireforHire.com. After several phases of testing and fine-tuning the website to enhance the advertiser and user-experience, the final version of the website is now LIVE and most importantly—FREE! The website is simple to navigate, free to use, and includes advertisements from the most trusted members of our community—the public safety personnel who protect us each day.

In order to advertise on our website, you must be a current or former member of a public safety agency. However, anyone and everyone is encouraged to use the website to search for and hire our off-duty police officers, firefighters, and EMS personnel.

The cost to all users and advertisers is FREE. Operating as a non-profit organization, Police and Fire for Hire LLC relies solely on donations to pay the monthly and yearly operating and maintenance costs. To donate, users and advertisers can visit www.PoliceandFireforHire.com/donate. All donations are securely processed through PayPal and ALL of the money donated to Police and Fire for Hire LLC is used to enhance the website and user-experience.

The website creator, Jonathan Whitham, is a full-time attorney in Indianapolis with the law firm Whitham Hebenstreit & Zubek LLP.
